

# BUSINESS: EMERGENCY MANAGEMENT (A.S.)

The Associate in Science degree in Business is designed for students interested in gaining a solid foundation in the field of business. The program includes an overview of general management theory and introduces students to the fundamental concepts of economics, marketing, finance, and organizational behavior. Students are able to further customize their degree by choosing from an array of three-course concentrations to gain specialized knowledge. This degree prepares students for a smooth transition to the B.S. in Business Management or related degree.

Students will have the opportunity to:

1. Attain proficiency in the basic concepts, theories, and methods of inquiry in business.
2. Evaluate ethical principles that guide businesses.
3. Prepare for seamless transition to the Bachelor of Science in Business Management program.

## Degree Requirements

Minimum Credit Requirement: 60 credits

Minimum Residency Requirement: 16 credits must be taken at Granite State College

| <b>Total Credits</b>  |  | <b>28</b> |

## Electives

Open electives are courses students will need to take in addition to their general education and major requirements in order to satisfy the remaining credit totals for their programs. Open electives are defined as any credit course offered by the College not already included in the student's general education, major, concentration or minor. Students will need 60 credits total to graduate with an associate degree.
