

HUMAN SERVICES: COUNSELING FOUNDATIONS (B.S.)

The Bachelor of Science in Human Services is designed for students with career interests in human services. Granite State College's B.S. in Human Services offers graduates the opportunity to provide access to assistance programs, offer support, and improve the quality of life for those in need while working with individuals and the community at both the local and state level. The counseling foundations concentration introduces students to the theory and process of delivering counseling services.

Students will have the opportunity to:

1. Differentiate and critically analyze the concepts, theories, and methods of inquiry pertinent to human services.
2. Apply the concepts, theories, and methods of human services.
3. Apply ethical principles that inform and guide practice in human services and relevant subfields.
4. Communicate in multiple modalities the needs of a diversity of client populations.

Electives

Open electives are courses students will need to take in addition to their general education and major requirements in order to satisfy the remaining credit totals for their programs. Open electives are defined as any credit course offered by the College not already included in the student's general education, major, concentration or minor. Students will need 120 credits total to graduate with a bachelor's degree.
